

NOW OPEN!

NEW EYE CARE CLINIC

We are excited to announce that the Tulalip Health System's in-house optometry services are now open!

We have invested nearly half a million dollars to provide you with top-notch care.

Dr. Spillane and her team, who have been providing care at the clinic for the past eight years, are ready to offer you their expertise.

OUR SERVICES:

- ✓ Prescription Glasses and Contact Lenses
- ✓ Comprehensive Eye Examinations
- ✓ Chronic Disease Management
- ✓ Pre and Post-Operative Surgical Care
