

### Vision

Our vision is to extend recovery within the Tulip Tribal community through quality evidence-based practices, existing programs and continued expansion.

### Mission

To provide a culturally sensitive transitional home that provides a safe, secure, supportive and stable environment for Native Americans seeking to maintain a clean and sober lifestyle.

## VALUES IN RECOVERY

The q̄'ibilał?tx̄ Healing Lodge, will lead the way in holistic and cultural programs to promote recovery.

Our standards have been developed to ensure the preservation of a level of care that exceeds drug and alcohol treatment industry standards. Our comprehensive continuing care plans facilitate longterm recovery from drug and alcohol addiction by addressing occupational, vocational, legal, and social barriers.

Once you arrive, one of our professionals will meet with you and customize a recovery plan that will address all of your needs. We will take into consideration mental health issues, economic status, prior history, as well as your level of health and fitness.

## WHAT THE HEALING LODGE RECOVERY PROGRAM OFFERS

- Weekly meetings with a chemical dependency professional.
- Meet weekly with a mental wellness therapist.
- Group therapy throughout the week.
- Focus on total wellness to include fitness and nutrition.
- We provide specialty tracks on cultural and generational trauma therapy.
- Goal setting/meditation/spiritual counseling.
- Weekly 12 step meetings to include the Red Road, Alcoholics Anonymous and/or Narcotics Anonymous (AA/NA).
