

## EXCITING NEWS!

Tulalip Health Clinic is installing

# NEW

# x-ray equipment!

### IMPORTANT INFORMATION:

X-ray services will be **unavailable for 3 weeks** during the installation process.

Please continue to visit the clinic for evaluations and appointments. If you need an X-ray, your provider will refer you to an external service. This ensures you receive a referral and/or purchase order (PO) so that CHS can cover the charges.

### TIMELINE:

X-ray services will be down starting today, **January 13**, and will be back up on **February 3**.

Thank you for your understanding and cooperation!
